# Exciting New Class

## starting 17th May

### Explore Paper Tole:

*The art of hand-crafting 3D pictures from flat prints*

Over six weeks, you will learn how to skillfully cut, shape and assemble pieces of paper from a set of identical prints, layering them onto a base picture to create a 3D version of the original picture.

This is a “starters” course.

**Cost is just \$120 and covers:**

- **Six weeks of classes**
- **materials and resources**

All classes will be “small group” ( max of 10 ) and held on our premises in John Street, Camden.

Classes will be for approx 2 hrs.

Classes will commence at 1:30pm on a Tuesday afternoon.
