

Exciting New Class starting in Oct

Explore Paper Tole:

The art of hand-crafting 3D pictures from flat prints

Over six weeks, you will learn how to skillfully cut, shape and assemble pieces of paper from a set of identical prints, layering them onto a base picture to create a 3D version of the original picture.

This is a “starters” course.

Cost is just \$120 and covers:

- **Six weeks of classes**
- **materials and resources**

All classes will be “small group” (max of 10) and held on our premises in John Street, Camden.

Classes will be for approx 2 hrs.

Classes will commence at 1:30pm on a Tuesday afternoon.
